

# Scripture's Role in the Immigration Debate

Published on Fri, Oct 16, 2009

For many years now, religious leaders and diverse faith groups have contributed much to the ongoing immigration debate. Grounded in faith and good works, the faith community has been and continues to be steadfast in their outreach to immigrants through a myriad of support and service programs, faith rallies, and support of those in need. That being said, there are restrictionist groups who would rather sully the debate by co-opting faith-based terminology and tease anti-immigrant agendas out of scripture.
