

# **A Talk With Mary Giovagnoli**

**Published on Wed, Apr 21, 2010**

The Immigration and Customs Enforcement agency (ICE), part of the Department of Homeland Security (DHS, ) has come under increasing criticism because of its poor treatment of would-be immigrants held in detention - including a number of unreported deaths - lack of medical facilities, administrative bungling resulting in loss of records, and absence of due process for detainees at ICE detention centers.
