

Immigrant Rights Activists Defend 14th Amendment

Published on Fri, Aug 13, 2010

The non-partisan Immigration Policy Center rejects Graham's views on birthright citizenship. "We are talking about changing the U.S. Constitution, the 14th Amendment, the cornerstone of civil rights," said senior policy analyst Michele Waslin. "Repealing birthright citizenship would affect every American and every child born in the U.S."
