

Today's Immigrant Woman Entrepreneur

Immigrant women entrepreneurs are rapidly making their mark in the U.S. business sector, in every region of the country and across a large range of industries. Today, immigrant women of the post-1960s wave of immigration comprise one of the fastest growing groups of business owners in the United States. This study examines the rise of immigrant women entrepreneurs and profiles them as a group using data from the 2000 Decennial Census and other sources.
