# **Jobs & Internships**

#### **Full Time Staff**

• [1]No openings at this time.

## **Fellowships**

• No openings at this time.

## **Internships**

• The Immigration Policy Center (IPC), the research and policy arm of the American Immigration Council, is seeking a Research Intern to assist with research for one month during January. This position is ideal for students on the 4-1-4 academic calendar. Applicants should possess strong research and proof-reading skills, as well as a passion for the future of immigration. Read more about the internship and the application process here. [2]
