

## **Editorial: Overreaching on immigration by making bus drivers criminals**

**Published on Wed, Jan 26, 2011**

While the loss of Head Start would be devastating, it would be far from the only loss the Bluegrass State would suffer if SB 6 became law. The American Immigration Center's Immigration Policy Center recently projected that passage of this bill would cost Kentucky \$1.7 billion in economic activity and more than 12,000 jobs.
