

Hispanic Vote in North Carolina Has Doubled in Last 4 yrs

Published on Thu, May 24, 2012

An [IPC analysis](#) [1] was used in a Fox News Latino article about the power of the Hispanic vote in North Carolina:

A post-election analysis by the Immigration Policy Center emphasized that the 20,468 Hispanics who voted in the state were "indispensable" in ensuring that Obama won the White House.
