

Rubén Rumbaut, Ph.D.

Submitted by Anonymous on Mon, Jul 23, 2012

Rubén Rumbaut, Ph.D. is professor of sociology at the University of California, Irvine. He is the founding chair of the section on international migration of the American Sociological Association and a member of the National Research Council's Committee on Population. He codirects the Children of Immigrants Longitudinal Study, began in 1991, as well as a large-scale study of Immigration and Intergenerational Mobility in Metropolitan Los Angeles. He is the author of more than one hundred scientific papers on immigrants and refugees in the U.S., and coauthor or coeditor of a dozen books. A native of Havana, Cuba, he has a Ph.D. in sociology from Brandeis University.
