

CNN Airs Anti-Immigrant Front Group

Published on Mon, Aug 10, 2009

CNN is once again airing an incendiary ad by the an anti-immigrant front group, Coalition For The Future Of The American Worker, which warns that the US government is letting in 1.5 million foreign workers a year to take jobs from the 15 million unemployed Americans. Roy Beck, Executive Director of the anti-immigrant group NumbersUSA and principal spokesperson for the Coalition, called on supporters to discuss the ad at town hall meetings and declared the need for an
